PTO WOOD CHIPPERS

Bandit PTO hand-fed wood chippers are ideal options for companies looking for a compact, but powerful wood chipper. These wood chippers are built for Africa.

ENGINE WOOD CHIPPERS

Bandit's engine hand-fed wood chippers can easily be towed behind a bakkie. The roadworthy trailers are built in South Africa and fitted with Tier 3 engines.

WHOLE TREE CHIPPERS

Bandit's whole tree chippers are built using first-world technology, 35+ years of experience and worldwide expertise to provide quality whole tree chippers.

STUMP GRINDERS

Bandit's stump grinders range from small handlebar-controlled for backyard projects to large self-propelled track machines for high-production land clearing.

HORIZONTAL GRINDERS

Bandit's range of horizontal grinders or wood recyclers are built with first-world components, worldwide expertise and proven with more than 10 years South African experience.

UNIVERSAL SHREDDERS

Slow-speed universal shredders are able to grind, crush and shred concrete, rubble, asphalt, bricks, ceramic, metal, wood and waste, all by a single machine.
